Purpose of Job

The purpose of this job to have someone who can keep the grounds and facilities clean and tidy as well as general maintenance of the buildings and plant. Another purpose is to have someone that can also help with guest services whether it be booking them in, hiring them a bike or filling a hot tub.

You will be working independently at times and also as a team. You will be responsible for the outside areas and will work closely with the Head House keeper on any cleaning matters. Prior to Christmas you will be busy with preparing the park for the summer; mowing and irrigating to ensure the park is looking its best. During the busy summer season, you will need to be flexible as there will be a change in roles and hours such as helping with gate security as well as leading a young team to help with odd jobs and rubbish. With all hands on deck you will need to be organised, a good planner and be able to train people to be able to assist you.

The quieter months will allow you to keep on top of the maintenance and grounds ready for the next spring. You may also be required to help out while people are on leave.

This job will require effective operational efficiency and on-going care for all Holiday Park assets together with a commitment to abide by all applicable regulations eg Occupational Health & Safety.
